Q: How many employers interview at the fair?

A: Approximately 20 employers interview each year.

Q: How can I find out which employers will be interviewing?

A: Your school's Career Services office will have a complete list.

Application Process

Q: Who can participate in the New Hampshire Legal Job Fair?

A: Any second or third year law student with a demonstrated interest in working and living in Northern New England. Your school must register in order for you to participate.

Q: Can LLM students or lateral attorneys participate?

A: No, only second or third year students.

Q: Can I just show up at the job fair?

A: No, you must submit application materials by the deadline to **your Career Services office**. They will send your applications to the employers for pre-screening and if you are chosen for an interview, you will be notified either by the employer or by someone from your Career Services office.

Interviews

A: Students will know at least a week prior to the fair if they have interviews. Employers typically contact the students directly while others contact Career Services and they will notify the students of interviews.
