

First Assignment for Professional Responsibility Summer 2010 – Farber

Our class on 6/1 will be an Introduction to the Regulation of Lawyers and an Examination of Images and Perceptions of Lawyers in Popular Culture. For this class, please read the preface and pp. 1-45 in our casebook, Lerman & Schrag, Ethical Problems in the Practice of Law, 2nd ed. (Aspen 2008). In addition, select a visual image (it can be a cartoon, drawing, picture, etc.) that you think reflects the perception of lawyers in our society today. Bring a **hard copy** of the image to class and be prepared to talk about why you chose it.

The syllabus can be found on our course blackboard site and on MyLaw, please review it before the first class. I look forward to meeting all of you next week.

- Professor Hillary Farber
